

“Green Country, Green Environment”

I.Y.G. Ireland 2011

Come to Ireland and embark on a on a fulfilled journey through this majestic green land. An action packed two weeks is in store for our young IPA members, which takes them throughout the country visiting the must see places with lots of fun and action along the way.

This theme of I.Y.G. 2011 is “Green Country, Green Environment”. Participants will learn about the environment through fun workshops and self learning exercises, which is aimed at educating them about reducing their carbon footprint and how to invest in their own green future.
