

Seminar Invitation

The International Police Association International Cultural Commission invites you to participate on our international seminar 22-25 March 2012 Limassol, Cyprus. ICC members are running a seminar to call all the ICC National Liaison Officers from all IPA Sections all over the world to come together.

The National Cultural Liaison Officer Seminar will help you, the liaison officer, to understand the cultural activities that are promoted within the IPA. It will also give you additional knowledge and networking opportunities with your peers to develop more cultural activities in your Section.

The seminar is including an arrival day, a social day where we can have informal discussions while seeing some of the host country culture, a workshop day and a departure day.

Some of the suggested topics for the workshop are:

- Role of the National Cultural Liaison Officer.
- Annual ICC reporting process
- Archives
- International Youth Gatherings
- ICC Competitions (short article, photographic)
- Other cultural activities
- Hobbies (pen-friends, collectors)

We are looking forward to seeing you in Cyprus. If you have any recommendations regarding the topics which should be covered during this seminar, please send them for me.

If you want to register, please do it, filling the registration form attached.

Kind regards,

Julianna dr. Papné Végső
2nd International Vice-President
ICC Chairman
