

## June 2009 – Black Forest German Cafe Restaurant

Saturday's social function at the Black Forest German Cafe Restaurant (<http://www.blackforestrestaurant.com.au/>), 196 Gladstone Road, Highgate Hill, Brisbane, was a splendid night.

41 people attended in total with 4 last minute cancellations due to emergencies/illnesses.

Richard the owner (who has friends in one of the German state police departments), put on two cases of German beer for us – which was very well received.

Please find attached photographs of the night..... Cheers ..... Daryl
