

# GINO's RESTAURANT in Hamilton

Hello IPAers,

We had 33 people attend Saturday's IPA function at Gino's restaurant at Hamilton, including our former Chairman Shane McLennan who is currently based in Dili, Timor, with the AFP, and the Vice Chairman of IPA Japan, Akinori Murakami.

Our reception officer Paul Kelly has been taking good care of Aki and his wife, and on this night presented him with some Aussie IPA memorabilia (photos attached).

We had a few out-of-town IPA visitors who were much appreciated, including Mick Harvey (recently retired from the QPS). Mick caught up with Mark Courtney (OIC of Yamato), as they had not seen each other since their early days in the Service in the far north.

The food was excellent and the service spot on – all main meals arrived very close together.

Early next month I'll send out details of our June social function.

Cheers ..... Daryl
