Dear Secretary

We have some new information about accommodation for members visiting London.

1. THE UNION JACK CLUB

The Union Jack Club (UJC) is a private members' club for serving and ex-serving military personnel. Emergency Services and the Civil Service may also use the club as Temporary Honorary Members.

International Police Association members can stay at the UJC at a lower rate than Police Officers – Single en suite = £59; Double en suite = £106. These are room only prices (breakfast £6.95 pp extra).

The UJC is located adjacent to Waterloo East Station, London. For more information about the UJC visit: www.ujclub.co.uk

Please note, all bookings for IPA must be made through Matt Taylor, Marketing Director on marketing@ujclub.co.uk and copied to Steve Connor, Section UK National President on president@ipa-uk.org

2. IPA HOUSE IN SECTION UK - COLCHESTER, ENGLAND

The apartment is within a 45 minute drive of Stansted Airport and is served by an hourly bus service for around £15. The port of Harwich is just over 20 miles away and London's Liverpool Street Station is only 50 mins away making sightseeing in London very easy. Colchester is also ideally positioned for visiting nearby picturesque Dedham village, Constable Country plus the counties of Suffolk and Norfolk

IPA members pay £50 per night for the entire premises - minimum two day rental period. Non IPA members (sponsor required) pay £60 per night - two day minimum rental period.

If a 'Z-bed' and bedding required then an extra £5.00 per night will be charged.
